### **FOR IMMEDIATE RELEASE**

#### **Reporting date for continuing students**

The Makerere University Management and Senate, the chief Academic organ of the University, would like to inform all continuing students and the general public that the reporting date for Semester One 2010/2011 remains Saturday 21<sup>st</sup> August, 2010.

This declaration comes in the wake of a Staff General Assembly and succeeding press reports, ("Makerere Staff declare strike" The Daily Monitor, August 20, 2010 and "Makerere staff to strike over pension" The New Vision, August 19, 2010) in which Makerere University staff resolved to go on a sit-down strike.

However, the University Management called for patience from the staff and went ahead to re-assure the continuing students "The Senate sat today August 20, 2010 and reiterated its earlier position that the University will remain open despite the intended strike by the Makerere University Academic and Administrative staff" added Mr. Alfred Namoah-Masikye, The Academic Registrar.
