ON

THURSDAY 1ST MARCH 2012

- The Director Public Health, KCCA
 - The L.C.5 Councilor Makerere University
 - Director, Estates and Works Makerere University
 - Staff of Makerere University
 - Students, Ladies and Gentlemen
-

I would like to thank the Kampala Capital City Authority (KCCA) for living true to their word, as envisaged by this delivery, we have all gathered to witness. We have been listening to adverts by the Authority on radio over the past few weeks, urging the public to keep the city clean through their “Do Not Litter” campaign.

We are therefore glad that this campaign has finally reached Makerere University, and we would like to appreciate our area Councilor Mr. Luyiga Bernard, for not only informing us before hand, but also ensuring that our interests as a University are taken care of by the authority.

Makerere University, through our Estates and Works Department will ensure that these utilities are strategically placed around the campus so that this campaign is fully embraced by all members of this community.

I would like to thank the Kampala Capital City Authority for restoring some of our street lighting and patching up the roads. My appeal is that the Authority extends street lighting to all the areas of the campus and repairs our entire university road network. As the premier public University in Uganda, we ought to be the epitome of both academic excellence and social infrastructure, and we are relying on you KCCA to help us keep our social brand sparkling.

We are a community of over 45,000 staff and students. As I conclude my remarks, I would like to request the Director Public Health, KCCA, to keep Makerere University on the priority list of all Public Health programmes. I would once again like to thank the KCCA representative to Council and Makerere University Councilor Mr. Luyiga Bernard for continuously advocating for our interests and urge the Authority to fully utilize him as a liaison between our institutions **as We Build for the Future. FOR GOD AND MY COUNTRY.**

Speech delivered by: Mr. David Kahundha-Muhwezi, University Secretary, Makerere University.
